**HB 2171**

March 31, 2009

**SUMMARY OF BILL:** Effective July 1, 2011, requires persons regulated by state boards and commissions to have CPR training.

**ESTIMATED FISCAL IMPACT:**

**Decrease State Revenue – Not Significant/FY11-12 and  
Subsequent Years  
State Expenditures – Net Impact – Not Significant/FY11-12 and  
Subsequent Years**

Assumptions:

- A small decrease in the number of licensees as a result of individuals not meeting requirements of the bill and who will cease to be licensed.
- A decrease in state revenue collections for license fees.
- Any decrease in state expenditures as a result of regulating fewer licensees versus any increase in state expenditures to verify CPR training is estimated to be not significant.
